Attention: Docket No. 92-90

I have recently learned that the F.C.C. is considering a regulation to restrict person-to-person telephone solicitations. As a practicing professional REALTOR, such a regulation would be devastating to my personal business.

I am asking that this regulation not be imposed - at least on real estate sales persons soliciting clients and customers.

Thank you for your consideration.

Sincerely,

As a licensed Realtor in the state of Michigan I urge you not to restrict our ability to use person to person telephone solicitations.

Cold calling is extremely important to our business and the residential real estate industry in general.

I thank you for your consideration of this matter.

Sincerely,

*Harry W. Hamilton*
